

Early Years

Duration: 12 Hours
Maximum Number of Delegates 12

This course is a paediatric first aid course and meets the requirements of the Early Years foundation stage statutory framework

The course focuses on emergency scenarios that are faced by professionals, including teachers, au pairs and play group leaders, looking after young children.

It meets Ofsted requirements for registered child minders and the requirements for nannies under the DfES Approved Carers Scheme. It can also be used as evidence for employees working towards an NVQ in Childcare and Education

Who should attend?

This course is for people working with younger children - those up to eight years old - or working towards an NVQ in Childcare and Education.

What you will learn?

The course covers how to deal with accidents and emergencies involving young children

Course content

- First Aid kit
- Action planning
- Treatment of an unconscious casualty
